ARTNOMADIQUE

Who are we?

ArtNomadique is the gallery and art platform of Dieter Deconinck, with Marc Janssens as a permanent partner. From our home base in Ronse, we organise exhibitions and events at various locations across Flanders.

We bring artists and audiences closer together through exhibitions, openings, events and artistic collaborations. ArtNomadique also goes beyond Ronse, creating exhibition moments at distinctive locations throughout Flanders.

Why become a partner?

- Visibility within a growing artistic network
- Connected to contemporary art and cultural entrepreneurship in Flanders
- Direct contact with visitors, artists and art lovers
- A stylish presence without an overload of logos

We deliberately limit the programme to a maximum of 4 permanent partners per year.
